

FINANCIAL AID

EAST provides some financial assistance to students to help them complete their course of study. Evaluation for financial assistance is done at the start of the academic year. There are two kinds of aid available:

TUITION ASSISTANCE PLAN (TAP)

TAP is awarded according to the needs of the students and the amount of funds available. It is given to students who have tried but are unable to raise their full financial support for their studies.

Campus Crusade staff members are eligible to apply for this aid if their support account is in deficit or if they are unable to cover the full amount of the tuition fees. The money is not given directly to the students, but is used to settle the students' tuition fees. Please refer to the TAP application form for terms and conditions.

CHEST FUND (CHEST)

CHEST helps students to defray the costs of the basic living expenses in Singapore. The amount given depends on availability of funds and the needs of the students. The money is normally given directly to the student on a monthly basis or as a one-time gift. Please refer to the CHEST application form for terms and conditions.

A student who wishes to apply for financial assistance must apply in writing by the first Friday of each academic year. Forms are available in the Administrative Office.

Master's students who are receiving financial aid must maintain a GPA of at least 2.7, while bachelor's students must maintain a GPA of at least 2.5 in order to remain eligible for assistance. Failure to do so will result in the loss of the financial assistance.

Evaluation for financial assistance is done on a quarterly basis.
