

## OUR MISSION

The mission of EAST is to develop and equip Christian leaders for the fulfilment of the Great Commission in East Asia and around the world. The school seeks to build Christian leaders to be passionate spiritual multipliers, committed to growing in Christlikeness, learning and living out God's Word, and communicating God's truth effectively. This is accomplished by integrating academic training with practical ministry within a community of care and mentoring, and by emphasizing field education, internship and classroom teaching.
